School Days — what a procession of them:—marching single file in an endless line, from the early days of the one room school house to the present time of the well built plants.

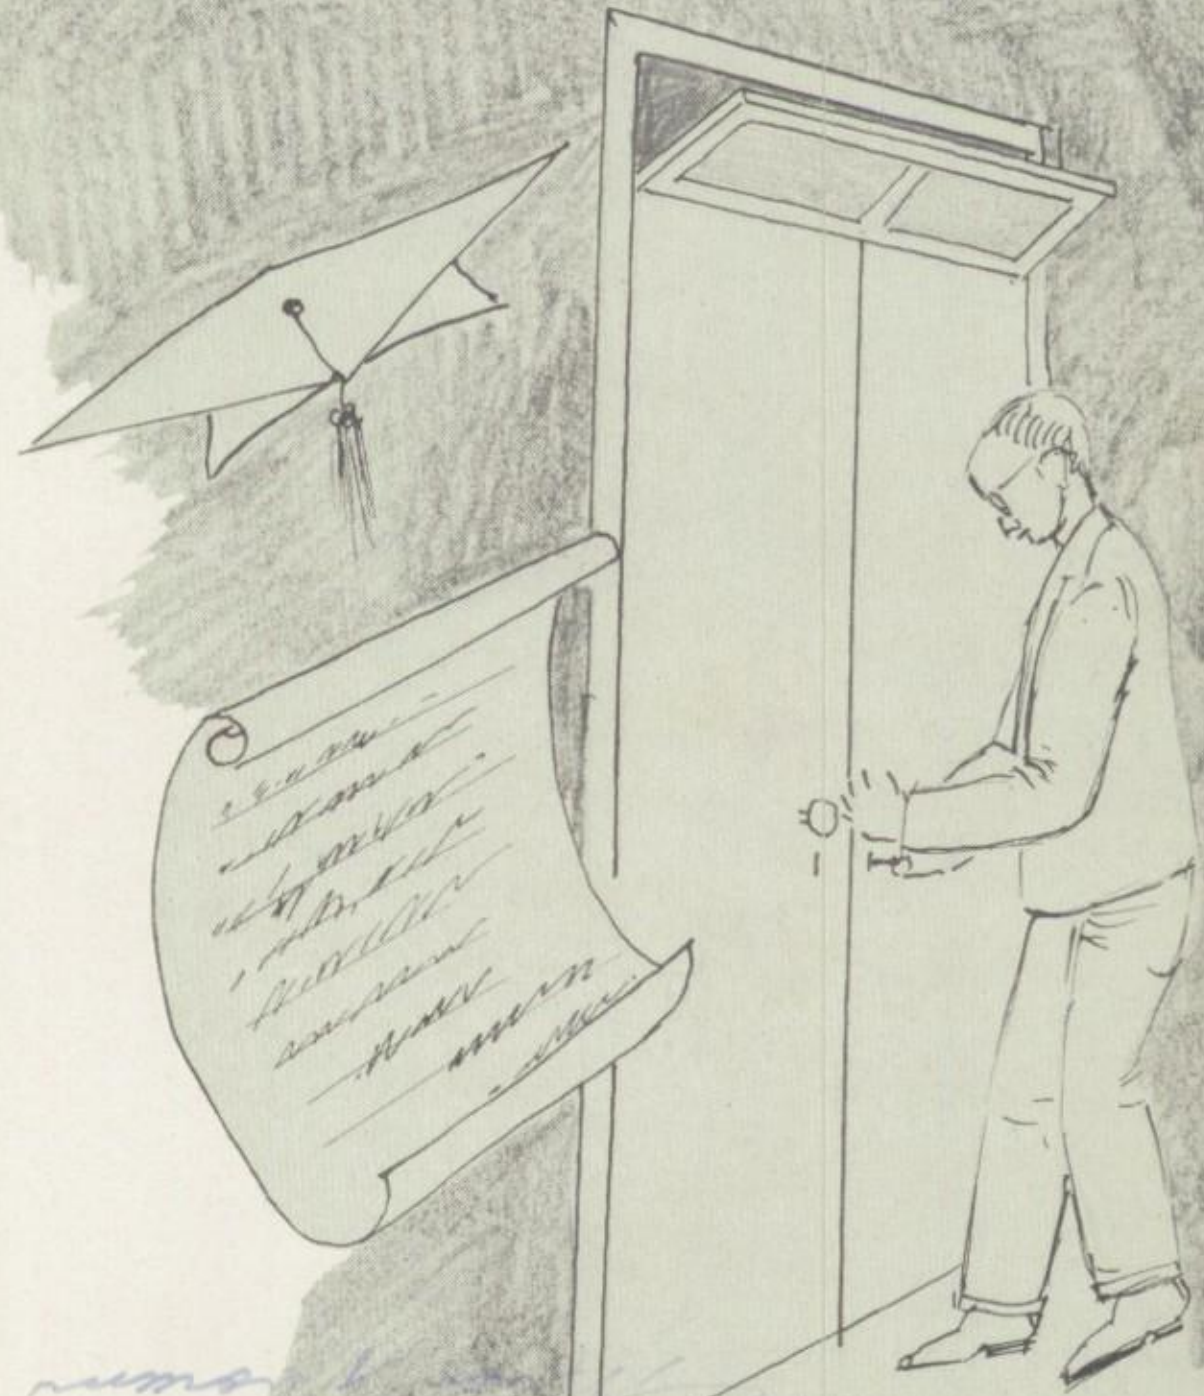

Those days have been filled with joys and sorrows, work and play, hope and fears; how much they have meant to all boys and girls!

The present school life is filled with rich realization.

The future holds out to us wonderful possibilities, but it is the memory of days gone by that has the greatest charm for us—that brings the smiles to our lips or the sighs to our hearts—that makes us all once again, in spirit, boys and girls wending our way to the old familiar school rooms.

And so, to all happy memories of former school days, we dedicate this, our annual, the Boomerang of 1953.

It has been a pleasure knowing you and having you as a favorite student. You did so well in the play we presented. Keep up the good work in speech and swimming. Cheers.

"School Days, School Days, Good Old Golden Rule Days."

The meaning of the above phrase grows deeper and deeper as the years roll along, especially those high school years. Those four precious years in high school are the golden era of our entire life—all of us enjoy them but so few appreciate them as we are passing through. The warm glow of life-long friendships has its beginning here. The thrilling urge to excel in some one or more of the many opportunities presented along our pathway is experienced. The satisfying joy of accomplishment when a task is successfully completed is only a small part of the rich, abundant life we pass through in our own Box Elder High.

For you who do not go on to school our sincere hope is that your sojourn at Box Elder has been edifying and delightful. May experiences attained here contribute to a happy life.

To all others, no matter what or where you may be on the educational ladder, may we say "More fully realize your opportunities and immediately take the time to make your school days 'the good old golden rule days.'"

Class Dedication

CLASS OF '53

Well Seniors, you're leaving to be on your own
To reap the harvest of seeds here you've sown
A new world awaits your conquering hand
Go meet the challenge—Defend your land.

Each teacher you've had has in some small way
Prepared you for things that you'll meet every day
And as you recall all your high school years
You'll cherish each memory with smiles and tears.

They've striven to show you that all is not gay
That the sad and the weary are part of the pay
Remember each function in this part term
How easy to play and row hard then to learn.

Your chest swelled with pride at your Senior Peach Float
And C. R. and Herb on the assembly still gloat
At Christmas the quilt was an annual spree
And a good deal of work there was done by Dixie.

Now remains one last fling, the "Purple and White"
After which you'll be ready to take off on flight.
To work, or to college—no matter what you do
Make sure that it's worthwhile, aim high and shine through.

We are extremely proud of our records. Our scholarship has been very good. We have been represented well in every activity sponsored by our school. We have taken every assignment charged to us and have seen it through to a very satisfactory completion. As Sophomores we lighted the new rain-soaked BEE for the first time. We painted the town, put on outstanding assemblies and for our crowning, we put on an outstanding Prom. The first under the new price ceiling.

We, the sophomores, look back on a successful year marked by many outstanding accomplishments. Our scholastic record and our school activities, including our participation in homecoming and our Christmas assembly and dance, were accomplishments for which we can be proud.

We have done our best to uphold the standards set for us by other classes, both scholastically and socially. We pledge ourselves to carry on the traditions of Box Elder high school, to learn how to get along with people, and to accept responsibility with eagerness, for we know that only by making the most of our opportunities will we become good citizens.

We've graduated from the grades, the lower division, and are looking forward to walking across the stand to graduate from high school. We have made a good start and as we advance in years and experience we will try to do a better jib than heretofore.

We find that we have a lot to learn to be in the same class and to be as wise as the mighty seniors. Some, we hope all of us, will reach that goal and be a credit to our beloved parents, to our good teachers and to our grand school.

Dear Campbell,
I'm sorry I spilled that ink but your dumb pen
just wouldn't work. I've surely had fun knowing you
this year. I've heard enough things about you to make me
not like you but I still do. Remember our "Easter Hike"?
Wasn't that fun. I sure was sick after that weren't you.
I've seen you through two "love affairs" this year and
you sure know how to get into them especially the —
you know what one. You are such a brain that I know
you will go far in this world. Remember the circus and Nancy's
sleeping party after. I sure was sick

As members of the Eighth Grade class, and Box Elder's class of 1957, we are the "seniors" of the Junior Division. We recognize our shortcomings, but are proud of our record so far, and resolve that in our future school years, we shall put into our training the best that is in us, so that we can receive the best that Box Elder has to offer. We want to help make our school a place that we can well be proud of, and we also want Box Elder to point with pride to the class of '57 and number us among its best citizens.

Coach Ferguson turned out his usual fine football team. They won all but their last two games in the Region. Box Elder took third in the Region.

REGIONAL SCORES

Box Elder, 19 — South Cache 7.

Box Elder, 40 — Bear River, 34.

Box Elder, 26 — North Cache, 18.

Box Elder, 26 — Logan, 0.

Box Elder 0, — Ogden 13.

Box Elder, 7 — Weber, 25.

Basketball Team

First Row: Bowen Call, Newell Polson, Bob Jensen, Reed Olsen, Dick Long, Kieth Orchard. Second Row: Gary Higley, Robert Hunsaker, Dale Polson, Keith Hunsaker, Wilford Christensen, Baty Morrison, Dick Sackett. Third Row: Coach Ferguson, Richard Hadfeld, Reese Quayle, Ronald Hunsaker, Max Bragger. Though the team won few games, they had a spirit that was unequaled by any team in the region.
